Why Kingdom Builders?

**The heart of God beats for people.
Everyone. Everywhere.**

At Crosspoint, our heart is global and local and it beats for the 12,000 people within a 10 mile radius of our church who are without a church home, and for the billions of people around the world who have yet to hear that Jesus loves them and longs to give them a future and hope.

That's why we believe in Kingdom Builders.

So people in the Cedar Valley, and around the world, can hear the good news that Jesus is for them!

GIVE

Generosity is at the heart of all we do at Crosspoint. We are generous because we serve a generous God. It begins when we give our hearts to Jesus, and only grows from there.

GROW

Crosspoint exists to help people experience a thriving relationship with God, and being a Kingdom Builder is a vital part of growing a heart of generosity and care for those who don't yet know him.

GO

Last year we had four different Kingdom Builder trip opportunities--be on the lookout for more in 2024! KB trips are a great way for you to get out into the world and experience God in a new way! We believe it will change your life!

What Do Kingdom Builders Dollars Do?

Kingdom Builders dollars fund three avenues that move the Kingdom of God forward:

Global

Kingdom Builders gives us the opportunity to support key missions projects around the world. Every person, in every nation, deserves a chance to hear the gospel.

Local

Kingdom Builders is committed to funding the growth of the local church by expanding our campus, planting life-giving churches in the Cedar Valley, and ministering to the hurting in our own backyard.

Future (Next Gen)

We will risk everything for the next generation because they are the heartbeat of our church now, and the Church of the future. Through Kingdom Builders we're believing God to raise up world changers who are committed to love, serve, and give more.

Kingdom Builders is about Generosity and Partnership

We believe we are better together! When you give to Kingdom Builders your impact is multiplied exponentially. It's like giving to a great big mutual fund--with eternal returns--that allows us to partner with strategic global and local ministries to see the gospel advance to every nation and neighborhood.

Since we began Kingdom Builders four years ago, we've **given over a million dollars** to ministries and missionaries that have fed hungry bellies, freed those trapped in human trafficking, and most importantly, shared the hope and love of Jesus. That's incredible!

And we're just getting started! The vision is catching on and spreading like wildfire through every age group at Crosspoint! Sprinkled within the pages of this booklet are stories of creative generosity from people in our church. If you haven't joined us yet on this generosity journey we invite you to experience the joy of giving and making an eternal impact with your finances. You can begin your adventure of giving through Kingdom Builders right now by going to crosspointwaverly.com/give.
